

AIIP – Association of Independent Insolvency Practitioners

Newsletter: Issue 3, 24 July 2017

To all AIIP members,

Membership Growth

Our membership continues to grow with the receipt of our 100th membership this week. Discussion and focus groups are now running in three states.

We are now the largest Australian based association that is made up of only liquidators and trustees as members.

Web page

We have just launched our web site:

Law Reform Precedents Project

We had made representation to ARITA on behalf of the small firm IP's to utilise their resources and significant experience in the Law reform space to develop a set of precedents for the entire industry, wanting them to be delivered at a fraction of the cost that what each of our firms would have to pay if we go it alone. ARITA has taken up this project and we encourage all of our members to support it.

The first phase being available in August 2017. Core, MYOB and as a word version availability. See the ARITA website for details.

Forums and Issue focused

We are predominantly a Practitioner Discussion Focused association for practitioners from small practices however we will from time to time collectively lobby and adjudicate for issues that have an impact on our trade.

If you know of other IPs that are not AIIP members but could benefit from belonging to your association please pass this email along.

Membership forms can now be downloaded from our website on www.aiip.org.au.

You can also email us at admin@aiip.org.au.
