# Guide: Notice that administration of a company has ended

This guide does not form part of the form. It is included by ASIC to assist you in completing and lodging the Form 5053.

---

## Use of this form

The use of this form is optional. It has been prepared by ASIC to assist business with the lodgement process by highlighting information required by ASIC.

A Form 5053 is only required where the ending of the administration is not as a result of, or does not result in, another form of external administration. For example a Form 5053 is not required where a company is transitioning to a deed of company arrangement or a creditors' voluntary winding up. The Form 5053 removes the company from voluntary administration and the company reverts to registered status.
